# **Makaia Valencia Scott**

MAY 20, 2005 - NOV 26, 2024

**I**t is with heavy hearts that we announce the passing of our beloved daughter and sister, Makaia, who left us on November 26, 2024, at the age of 19. Despite the challenges she faced from a rare and often misunderstood disorder, Makaia lived a life full of grace, resilience, and joy.

From an early age, it was clear that Makaia possessed a spirit that was nothing short of extraordinary. While her condition limited some aspects of her life, it never dampened her ability to light up any room. Her laughter was infectious, her smile boundless, and her warmth a comfort to all who knew her. She had a deep love for music, often found listening along to her favorite songs, and her heart was full of the magic of Disney movies. Whether she was lost in the music or enchanted by beloved Disney characters, these passions filled her with joy and brought smiles to all who shared them with her.

As a daughter, she brought endless love and pride to her family. As a sister, she was a true source of support, offering unwavering love and an ever-present smile. Her unique ability to brighten anyone's day, regardless of the circumstances, left a lasting impact on all who had the privilege of knowing her. Though her time with us was far too short, Makaia's legacy lives on in the hearts of her family, friends, and all whose lives she touched. She reminded us all of the importance of finding joy in the small moments and showing compassion in the face of adversity.

Makaia is preceded in death by her father, Demetrius McChone. She survived by her mother, Mallory McChone, and her siblings Bethany Simon (Scott), Jayvion Washington, Kingston Washington, Amos Solano, Demetrian McChone, Deondre McChone, and Dejaney McChone.

I just want to say we will all miss Makaia dearly. She was a sweet happy girl who did very well with us here at Paul B Stephens School. Although she is gone way too soon, we are glad for the memories we shared. Our prayers and sympathy go out to her family. Eddie Patzner, teacher.

Honestly what really sticks out is how her Daddy Dj was always there especially when she was a baby! Their talks were just so cute and Makaia would just smile and half way wouldn't fool with anyone else, but him!!! Dj loved him some Makaia and he made sure you and the world knew it!!!Also, watching you as her mother! You never gave up, no matter what others said. You gave Makaia the best 19 years of her life! Your guardian angel will never forget that!!!🙏❤️

Words fail me, but here are some: When a tragedy like this happens, people search for just the "right" words to make it a little bit better. We both know there are no such words. To say that I'm sorry for your loss is an understatement. I grieve with you, my friend.
