I met Carlene when my son Darick began dating Melana. She was very welcoming and treated us like family from the start. Her and Greg were very good to my son and for that I will be forever grateful. I know she is with Jesus and her beloved husband. My condolences go out to the family. May the Lord give you peace that surpasses all understanding. You all are in my prayers.

I met Carlene several years ago through the D of I. It didn't take long for us to become good friends. She was such a caring, compassionate friend. I will miss our talks and friendship. God got another angel when she passed away.
