Just so sad to lose a great friend. One of the funniest most caring guys I ever met. He was always that way - when I first moved to the area as a 4th grader Scott made me an instant friend in school and was always down to goof around and have laughs. No matter how busy life got Scott was so easy to hang out with. You will be missed :(

A good heart has stopped beating ,but a hearth that has touched so many lives can't help but live on in those it loved. He was a joy to be around and always willing to help a friend. He will be sadly missed by all his loving family and friends condolences to all.
