Pamela Denise McConnell

AUG 10, 1969 - APR 8, 2025

Pamela Denise McConnell, a devoted wife, mother, and friend, passed away peacefully on April 8, 2025, in Clearwater, Florida, at the age of 55. Born in Georgia on August 10, 1969, Pam spent her childhood years in North Carolina, where she created lasting memories with friends and family.

Pam's greatest joy in life was her family, especially her children. She poured endless love, care, and support into her role as a mother. Her children—Colton, Austin, Landon, and Shelby (Manny)—were the center of her world, and her devotion to them was boundless. Pam's love for them will continue to guide and inspire them in all the years to come.

In addition to her love for family, Pam had a deep passion for animals, with a special place in her heart for primates. She spent many years volunteering at the Suncoast Primate Sanctuary, where her compassion for animals was evident in every moment she spent there.

Pam is also survived by her husband of 38 years, Coby. She will be deeply missed by her family, her best friend Star, and all who had the privilege of knowing her.
