When I moved to Minnesota at 13, Kara welcomed me with open arms. She was the sweetest, funniest, and most fiercely opinionated (in the best way) friend. Over the past year, our friendship rekindled in the most beautiful way. We spent many late nights on the phone-remiscing, laughing, and talking about all the things. She put in some serious overtime trying to convert me into a Swiftie - her dedication was unmatched - and she had this incredible ability to recall every detail of past memories. Kara was one of a kind. She cared deeply about her family, her friends, and the state of the world. She was passionate, endlessly talented, and had a rare gift for making people feel seen and loved. I cherish our friendship, and know I'll never have another like it. My heart aches for this loss, but I will carry all of our wonderful memories forever. I love you, sweet friend.

Kara was such a wonderful person. She truly had a beautiful soul and she could make anyone she crossed paths with smile. I played lacrosse with her in high school and have so many funny memories with her during those seasons, she always knew how to make the team laugh. We have spoken a few times post high school and what I saw the most was her adoration for her children and how much she loved them. I will always remember her as the human embodiment of joy. condolences to the entire family and I will always pray for Thea and Finneas ❤️
