FEB 20, 1963 - JUL 4, 2025

**W**illiam (“TEE”) James Thompson Sr was born on February 20th, 1963, in Tampa, Florida, to his parents Jim and Rosebud, Thompson. He was the seventh of eight children. He would move from Tampa to Pelham, Georgia, before eventually settling down with the love of his life, Amy Thompson, in Palm Harbor, Florida. The two were married on February 18th, in Clearwater.

William was a highly spiritual and religious man, a member of St. Luke’s. He was strong, and known for the loving care that he gave his family and others around him. He could be found sometimes watching a Buc’s game, or listening to some old school R & B, in his downtime between spending time with his loved ones.

William passed away on July 4th, 2025. He was preceded in death by his parents, Jim and Rosebud Thompson; and his brother, Alfred Sailor.

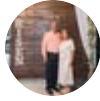

William is survived by his loving spouse, Amy Thompson; son, William J. Thompson Jr.; daughter, Nicole Isaac; sisters Annette Jones, Henrietta Alexander, Margaret Williams, Rose Taylor, and Fannie Stephens; his brother David Thompson; four grandchildren, his uncle, Tom Wilkes Jr (Ruth), and many nieces, nephews, and cousins.

I meet T when I was dating Anthony Hood. He was Anthony's best friend. He called him his brother from another mother. Anthony and I got married in 2013. T had the sweetest smile and he was a wonderful Christian man. He came to Anthony's Mom's memorial service after she passed. He asked if he could pray, i was so thankful he prayed for and with the Hood family.....He also sent Anthony daily scriptures and prayers until he was too weak to do so. We know T is in Heaven with our LORD and savior Jesus Christ....he will be missed here on earth until we all get to heaven.....

Wow Tee, I'm lost for words. I'm glad I had the opportunity to share a part of your life back in the late 80's early 90's. Forever have a place in my mind and heart. Rest in Heaven.

I didn't know Tee very well, we really only met once or twice. What I did know was how the thought of him would light up Amy's face. She would often share stories with me about him , which made me feel like I knew him well. He was truly her very best friend and love of her life! This is truly a difficult time for Amy, the family and friends. Let your faith in God guide you through this, ease your pain and soothe your hurt. Rest in Peace Tee. 🕊️🙏

Tee was so unique. He will always be remembered by me for his never wavering faith in our Lord. His selflessness and kindness, his words of wisdom, his every day pleasantries. His larger than life presence will be missed on our block. He always watched out for our children, and neighbors. Tee was truly a one of a kind man, looking out my window daily, reminds me what a great guy he was. May he rest in eternal peace ❤️🙏🏻 Love you man!

"TEE" was a gentle giant in so many ways! I met William thru his wife Amy who was a member of my Orthodontic team. He was always happy with a smile on his face and a kind word for all. He will be missed but never forgotten. RIP "TEE" Dr and Mrs Duryea

Words can't even express the vacancy I feel with you gone BIG Bro. If I ever needed encouragement or a good pep talk to help me realign my focus, I could always count on our talk every week to do just that. I can still hear your voice and the red beach cruiser I got from you will forever be cherished and passed on to my boys.. I love you bro and we'll one day meet again in heavenly glory. Control watch over us. Forever in my heart.....Sincerely Joe.

So many memories, as William, "Big T" was our neighbor for 25 years. We spent many weekends hanging out, swimming in our pool, playing dominoes. He will be greatly missed. He looked out for everyone around and always had a smile on his face. When I had an accident last year, he called 2 to 3 times a week to check in and offer help. That's the kind of person he was, such a great friend!!!! We will miss you, rest in peace my dear friend!!!!
