Edwin became part of our family through his friendship with my son, Anthony. He was 15 when we first met him. He was truly a best friend to Ant! I watched him grow into an amazing man and couldn't be more proud. My heart breaks that he had to leave us so soon. Edwin, you will be dearly missed and thought of often, your soul will always be a part of all those that loved you. RIP sweet boy

Thank you Edwin for the kindness and knowledge when you and Kolbe replaced the plumbing in our home. You both were incredible and so helpful. Our conversations will be forever in my heart. You will be missed by many! You are whole and free of pain. While you're not here in body, you are in spirit and memories. You are an angel to many!The LeDuc Family

I met Edwin in Kansas at Baker playing football. I had been in contact with him since. He inspired me to get into plumbing last year out here in Colorado. I'll remember his smile, cheerfulness, kindness, and his deep love for his family.

Flipper use to always randomly text me some out of pocket stuff just to get a reaction from me and to check up on me. One time in particular he just randomly sends a picture of him with a filter with brown hair and glasses. The hair and beard combo reminded me of Bob Ross so I replied with "You look like you're gonna paint some happy trees" we laughed afterwards and I sent the pictures to my best friend Asia. If it wasn't the good looks, I definitely got his humor. I'll miss you Tio. #PatNation
