My aunt was always full of life, laughter, and an overwhelming abundance of love. We would people watch together, travel, and enjoy some amazing foods. To say I'm going to miss her laugh and voice is an understatement. She's was truly an inspiration to us all!

**Kate Biagini** lit a candle in honor of Carol.

Aunt Carol was one of the most vivacious people I have ever known. She worked really hard to make Bob and my wedding day special and as formal as it could be given we were at the beach. She loved to share her stories and could make us laugh. She is sorely missed.
