Beverly Sandy

AUG 30, 1938 - NOV 24, 2025

Beverly Ann Sandy (Stevenson), 87, of Dunedin, Florida, passed away on November 24, 2025.

Born on August 30, 1938, in Monongahela, Pennsylvania, she was the daughter of John and Emma Stevenson.

Beverly is survived by her husband, Hugh Sandy; her children James Sandy, Shelley Sweda, Bonny Sandy, Rhonda Jacobsen, and Delana Sandy; and her brother John “Buzzy” Stevenson. She was preceded in death by her beloved son, Terry Sandy, and by her sisters Wanda and Linda.

Creative, warm, and endlessly patient, Beverly found joy in arts and crafts and was especially gifted in oil painting, a talent she shared generously with friends and family. She loved animals and nature, and her home reflected her passions with her cherished collections of gorillas and pelicans.

A proud supporter of her hometown teams, Beverly was a devoted fan of the Pittsburgh Pirates and Pittsburgh Steelers, cheering them on through every season.

Beverly will be remembered for her gentle spirit, her creativity, and the deep love she held for her family. Her presence will be profoundly missed and forever treasured.

My mother was the sweetest & she loved me so very much. She was my biggest cheerleader, supporter & was always there for me to listen or lend advice & we laughed so much together. I've taken on many of her traits over the years without even knowing it, so parts of her will live on. ❤️ She loved singing to her "doo wop" oldies while watching the old videos & she really loved it when I'd sing right along with her & sometimes my sisters would join us. Both the picture & video are from October 2014. She loved her rescue dog Toby; he followed her everywhere. The video is one of my favorites of us enjoying a delicious dessert. Words can't express or explain just how much I miss you & how broken I am without you ❤️ These last 6 weeks have been so hard not being able to talk to you or laugh with you & not text you every day as we used to do. The worst part will be baseball season & not texting about your beloved Pirates. I don't know how I'm going to get through life without you, my precious, beautiful, sweet, little Mommy. 😭 I've been avoiding linking back at all the photos, videos because then it makes it real & knowing I'll never see your face or hear your contagious laugh is too painful to bear let alone face head on. I know that I have to someday & show my tears to flow until there are none left, but I'm just not ready to do that yet. I'll never be ready to let you go. I love you so very much! You always used to say "I love you more. I love you muchly."

The world has lost another beautiful and unique human being on this planet. I can not bring the mountains and heavens to a stand still even close to long enough to bring rest to the space time existence of our solar system. I have neither the influence or patient to speak on the events that have conspired these past thirty years in this world and beyond that but I guarantee you one thing I will see my Grandmother again that's a promise. Good Night. In The Year Of Our Lord 2025 Chad Delano Sandy. Deep Mourning Grandson of Beverly Ann Sandy and Hugh Delano Sandy. P.S. I have not departed into whatever world lies beyond this world if any but I do not look forward to bidding farewell to the self proclaimed God's of the modern world who behave severely disrespectfully to the very foundations of this country as well as beyond the stars and then some.
