Scott was generous with his time and knowledge as we are working on a renovation of our home in Pinellas Park. He was very helpful and we pray that God will give strength and healing to his family as they deal with his loss from this life. God bless. Paul and Debbie Pinckney

Scott was generous with his time and knowledge at the code office as we have been working on a renovation at our Florida house and we were so sad to here of his passing. He was a good man. Scott was a client of mine for over 8 years, but it hardly seems sufficient to call him anything less than a friend. Over that time I had the pleasure of making him look and feel his best with a fresh haircut. I was always inspired to learn about his family, dedication to his children, and his never ending pursuit of growth and happiness. He was always warm, kind, and exuded such a fierce commitment to hard work and leadership for his 3 kids. There will always be a little piece missing from such a loyal supporter of my business and I'm immeasurably grateful to have known him and cared for him and his family. May he be resting peacefully and may his family find solace during this difficult time of substantial loss.

I considered Scott practically my second father for most of my childhood and adolescence. Toni was one of my best friends growing up, so I spent a lot of time over at the house, and he always treated me like a second daughter. I think my favorite memories of him were when he'd push me really high on the swing he made for his kids in the backyard and listen to me ramble about my silly interests and always remember all the details. Whenever I'd leave the house, I'd always hug him because the fact that he cared so much always meant a lot to me when he was younger. Scott was an amazing dad and a great person. Gone far too soon.

Scott was a part of our family for the last three years. He was kind and thoughtful, always looking for a way to help my dad with projects around the house. But most importantly, his love brought a smile to my daughter's face every day. He (and his hugs) will be missed very much.

Too old of a memory to have pics but coed softball was so much fun! Scott was the pitcher. I played first base. Many times the ball was hit to him and he threw to me to get the runner out, so we had this saying "Me and you". Loved that team and Fantasy Football!!Julie Laird
