“ I remember as a kid riding in the yellow bug with Christine beee-bopping around town, holidays, her big smile, and wild curly hair. I think I loved Elvis only Half as much as she did. Shine on Christine. Peace and love to the family. Maggie Chickey Southern.

“ It is with much sadness that we bid farewell to Christine. Heartfelt condolences to Dominic and family. Our friendship goes back 47 years, and Christine was such a loving soul, who made our family part of hers. Will always cherish memories of family gatherings at holidays, special occasions and impromptu. Also miss Christine's sweet parents. Christine is loved by so many people that it is testimony to what a wonderful person she was. Certain Christine is now with her loved ones in paradise. Love you always!

“ Christine was the best friend anyone could have. We lived next door to each other in NJ. Christopher and my oldest daughter were the same age and played well together. Christina and I shared a love of Elvis, music and dancing. I loved riding with her in her yellow bug. That whipped around, in and out everywhere we went. We sang dancing queen together whenever it was on. We were on top of the world. We often shared meals together either at their house or ours. We always cheered on the Yankees. She taught me how to make Carbonara. And a few other tricks. I will miss you Christine. I love you and will always cherish the time we had together.

“ CHRISTINE was known to me as “BELLA SORELLA” my beautiful sister. She was a passionate friend who loved the New York Yankees, comedian Vic DiBitetto, & was Elvis number one fan. We were able to share a great week here in New York & with our friend DIANE attended a Yankee game at the new stadium in the Legend seats. She loved her trip to New York and just before she passed thanked me again for making it happen. We are sad to lose you “sorella Mia” on this Earth but now your pain is over. To your family STEPH & Dom and CHRISTOPHER & the grandchildren there are no words to ease your pain. Know Bella Sorella, MAMA C was deeply loved. We will dance after every Yankee victory in her honor. Until we meet again know how much you were loved.

“ When I moved to Mountainside about 37 years ago my son Joe and Chris became friends. Christine and I became friends instantly. We shared so much with Dom Christine Chris and Stephanie (Cookie). Baseball games dinners Atlantic City and many more good times. We loved each other and even after she moved to Florida we visited them and even went on a cruise one year. She is one of my closest friends and I will always have a place in my heart for her. I hope she is at peace now. Joe and I will miss her.
