

## David Lee Mills

January 10, 1951 - July 2, 2022

David Lee Mills, 71 of Clearwater, FL passed away July 2, 2022. David, a true Floridian and Clearwater son, was born on January 10, 1951, the first son of the late Jayne (Pfeiffer) and Leroy Mills. David was the oldest of 8 siblings: Donna (Ned), Tommy (Debbie), Janet, Joe (Stephanie), Mary and Jeff. He was preceded in death by brother Dan and brother-in-law, Bob DeArmond. He is survived by many nieces and nephews.

David's family moved to Detroit, MI in 1965. He attended St. Ambrose Catholic High School and Wayne State University. After graduation, the lure of his home state brought him back to Florida where he enjoyed year round fishing and golf and welcoming his snowbird relatives from Michigan during the winter months.

David was a beloved son, brother, uncle and friend to all who knew him and will be forever in our hearts.

A memorial service will be held at a later date.

“ Whenever Uncle David was around you knew that your cheeks would start hurting because of all the laughing and smiling. It seemed that he always had a joke or funny story. I would relish the times that he stayed with our family on his business trips, always arriving in his yellow Penske truck. The stories that Uncle David and my dad, Joe, would tell about their younger days were incredibly entertaining. He will be remembered fondly by the whole family, as good times were had when he was around.

My sincere sympathy to Dave's family. When I heard about Dave's passing I was completely shocked. I went to high school with Dave and still communicated with him up until this year. I had wished him a happy birthday since we graduated from St. Ambrose. But this past year i didn't hear from him. It wasn't like him not to respond. I felt something wasn't right. Then I was sent an email that Dave had passed from a classmate Yes Matthew your Uncle Dave was the consummate jokester! He will be greatly missed. If there will be a celebration of life in the Detroit area please contact me. I did leave a message in Dave's email.  
Sincerely,

“ David was an awesome brother. We had lots of fun times golfing, fishing, playing pool and poker. He was always willing to give sage advice or drop what he was doing to help someone out. He was a great care giver to our mother, father and brother. I will miss our mutual visits to/from Michigan and Florida. Rest in peace my brother. I will miss you very much. Love you, Joe
