“ I volunteer at our churches Cafe. When Bruce and Shirley came in , Bruce would always take care if Shirley first then himself. He loved to tell me stories of his cats, being in a singing group, how Shirley's weight has never flucuated. How proud of he was of both sons and their professions. He was so easy to talk to and I enjoyed hearing about his life. He loved the Lord and has served him a long time. I will miss Bruce and pray for the rest of the family.

“ I have known Bruce and Shirley for ten years. Each time we would talk, Bruce would always tell stories of Gods faithfulness to him and his sweetie each and every day. They have put their hope and trust in Christ and Christ alone for so many years. Bruce's ministry through the decades has been to proclaim Gods love and Grace through his music. Many have been touched over the years listening to the message in His music. Many have come to know Christ as their Savior as Bruce preached in song. He will be greatly missed by many! Praying for you all.

“ Two years older than I, brother to my classmate, Bill, Bruce and I were always fast friends. We both loved and sang in high school and beyond, played sports together at Grant Field, sailed Prams (though Bill sailed more), and I visited in their home many times, growing up. He adored Shirley and they had a most happy home. We will miss him, looking forward to singing with him, again, when my time comes to join him. Blessings to all the Haney's. Adlai Boyd

“ I grew up as a kid with Linda and Darla Haney. We would sit on the stairs and Listen to his singing and playing guitar. My grandmother lived just down the street and I always enjoyed visiting the family. Time has passed but I lost touch with them. I live in Hernando County so don't get down there much, but when I do I drive by my grandma's old house and reminisce the old days. My deep sympathy to Shirley,Darla, Linda and Bill.

“ Remembering our classmate from our '51 class, and seeing him, and Shirley through the years at different school and pioneer reunions, they were a witness of what devotion and love are all about. Bruce was a special person, so proud of his family, always friendly, such a happy memory of a Dedicated Christian man and I thank God for his life. May God's peace and blessings be with his special family. Jeannine Bowers Smith

“ While my father was Clearwater Electric Superintendent for years, he met MANY people but rarely commented about a soul. One of the few exceptions, in the late 60's, was after getting to know Bruce Haney. Aubrey Ort couldn't say enough favorable things about Bruce! I was glad to be home at the time to hear it.

“ Knowing Bruce and Shirley in high school, I always admired them as a couple. They participated in many community activities including Church and Pinellas Pioneers. My heart goes out to you Shirley! Just know Bruce was loved by many and will be remembered for his many good deeds.
