

Wendy Joy (Warfield) Moss

April 10, 1955 - August 24, 2020

MOSS, Wendy Joy Warfield, 65, of Palm Harbor, FL, passed away unexpectedly August 24, 2020. She was born April 10, 1955 in Miami, Florida, the younger daughter of the late Frank and Helen Warfield. She is survived by her elder sister, Beverly Martin, and her sons, Matthew and Mark (Jenny). She graduated from Emory University, Class of 1977 with a Bachelor of Science in Nursing. After retiring from nursing, she moved to Palm Harbor with her former spouse, Steven Moss, in 1987 to raise her family. A woman of profound faith, Wendy lived with her illnesses, multiple sclerosis and epilepsy, for more than 45 years in a spirit of grace, perseverance, and hope. She loved spending time with her friends playing card games, attending social gatherings and going to events in her community. She never let her illnesses define her—she was the life of the party, spreading joy to all that had the pleasure of meeting her. A celebration of life will be held at Palm Harbor United Methodist Church. In lieu of flowers, please help support research to end Multiple Sclerosis by making a donation in Wendy's memory to the National Multiple Sclerosis Society at <https://www.nationalmssociety.org/Donate>. Please contact the church regarding their policies, (i.e. mask requirements, social distancing, capacity at the church, etc.), during the Covid-19 pandemic.

“ I loved Wendy's smile and quick wit. She was so admired for her strong will and courage as she faced the challenge of day to day living with an unhealthy body. She was a loving and devoted mother to Matthew and Mark. In time they will realize what a valuable gift that is. She lived her life to the fullest through her faith and planting her treasure in eternity and not here on earth. I look forward to celebrating this beautiful lady's life with her family this weekend. Much love, Aunt Peggy
